

# 1-DAY PRACTICAL CARBINE OPERATORS COURSE

The Allstar Tactical Practical Carbine Operators Course (PCO) is a one-day hands on course on basic operation skills with a carbine rifle, specifically the AR15/M4/M16 platform. Students who take this course do not need to have any prerequisite skills prior to taking it.

Students will learn proficiency in weapon system knowledge, maintenance, malfunctions, administrative handling & loading/unloading, basic shooting platforms, ready positions, shooting responses and after action assessments.

Upon completion of the course, students will receive a certificate.

---
